Fire & Safety Information

Dial "0" in the Event of Any Emergency

Lawlor's Hotel is equipped with a modern fire detection system, and staff have been trained to respond to any emergency situation.

All guests are urged to become familiar with the location of exits, alarm situations and extinguishers on arrival. Your evacuation route and nearest exit are clearly marked on the back of your room door.

On the way to your room and in your room make a note of the following:

- Locate the nearest fire exit
- Count and remember the number of doors between exits and your room
- Open exit doors and examine staircase layout
- Locate the nearest alarm station and fire extinguisher
- Study the layout of your room
- Read this fire emergency thoroughly, including instructions for reporting a fire, and know your evacuation route. This is located on the back of your door
- Always keep your key card handy near your bed

What if you find a fire?

- Get to safety
- Sound the Alarm or Call Reception on "0"
- Close doors against fire to prevent the spread
- Fight only small fires and only if safe to do so (The size of a small bin)
- Flee Larger Fires
- Take your key with you if possible
- **STAY CALM**

What if you are ordered to evacuate your room?

- Don't use the elevators
- Test the doors for heat before opening them
- Inch doors open if they are cool
- Hug walls while exiting
- Exit with caution
- **STAY CALM**

What if you cannot leave your room or your exit is blocked

- Return to your room
- Keep calm
- Stay there
- Call for help on the phone (0) or (9 – 112)
- Stuff a wet cloth under the doors and in the air vents
- Remove drapes if possible
- Fill bathtub with water, use the waste basket/bin as a bucket if necessary

LAWLOR'S *of* NAAS

TOWN CENTRE HOTEL

- Wave a sheet from window to alert your presence.
- Do not break the windows unless necessary
- **STAY CALM**
